**Subject: VISITORS ON CAMPUS OR IN CAMPUS FACILITIES**

---

*Effective Immediately*

**STATEMENT OF POLICY**

In order to ensure a proper environment for learning at Central State University, visitors on campus should check in with public safety or public relations unless the visitor is a scheduled part of the curriculum or approved campus activity, the visitor is attending an approved campus activity or the visitor is accompanied by a CSU student, faculty or staff member.

Any child that is on campus for other than educational purposes must be under the direct parental/guardian supervision and control at all times. All visitors are subject to all other University policies regarding the presence of children/minors and visitors on campus.

**DEFINITIONS**

“Child” is any person 17 years old or younger who is not enrolled at Central State University.

“Visitor” includes any person who is not currently enrolled at CSU, or is not part of the faculty or staff

“Campus or campus facility” includes anywhere on the grounds or buildings of the CSU campus, including the Dayton location.
