Please check the disciplinary group below that you would like to work in at the institute. Members of each group will develop instructional materials to be taught in one of their courses during the 2018-2019 academic year. If you prefer to work in an interdisciplinary group, please check the boxes of the disciplines you wish to bridge. Please list a topic or topics that you would prefer also.

Biology Chemistry Math Physics Non-STEM Interdisciplinary (check also the disciplines to bridge)

List topic[s] within the major discipline that you would prefer to work on

I agree to:

- Teach the instructional materials developed at the Mobile Summer Institute in a course that I teach during the 2018-2019 academic year.
- Participate in evaluation of the Summer Institute.
- Stay for the entire Summer Institute.
