The Alma Mater produces outstanding students like Joy Bray, who is pictured to the right. Unfortunately, many students' dreams of higher education are being denied due to lack of financial support. As such, we have implemented the 'Dream Keepers' fundraising campaign to provide scholarships to students.

The University's scholarship budget is strained to the utmost. Ninety-seven percent of students attending the University require outside funding to "bridge the gap" between financial aid and school expenses. 'Dream Keeper' Scholarship Fundraising events are scheduled for Chicago, Dayton, and Washington D.C.

We need your help to produce more students like Joy Bray.

By attending a scholarship reception and making a gift you are declaring I am a Dream Keeper!!!

Central State University formed the 1887 Legacy Society as a way to recognize alumni and friends who give to Central State University using a planned or deferred gift. Below is a listing of the Planned Giving Instruments society members have employed.

**BEQUESTS (Last Will and Testament)**
Provision for a planned or legacy gift may be made in the form of a bequest through a properly executed last will and testament. A bequest qualifies for an estate tax charitable deduction. A bequest removes assets from the donor’s estate and reduces its exposure to federal taxes.

Every Centralian should have a Will. The Office of Institutional Advancement would like to know if you currently have Central State University in your Will. If you do not have a Will we are more than happy to assist you by sponsoring a workshop in your area on Will preparation. Please contact Institutional Advancement for additional details.

**PRINCIPAL GIFTS**
Principal gifts to the University can be given in many different ways. Gifts of cash, stocks, bonds, retirement benefits, and real property are most popular. Gifts are considered principal if the total dollars gifted is $50,000 and above. You can make a principal gift over a specified time period. For additional information please contact Anthony Fairbanks, Vice President Institutional Advancement at 937-376-6373.

Principal gifts can be applied to the construction of new buildings or other tangible properties that benefit students, faculty, and the surrounding community. Principal gifts can also support faculty research, academic programs, athletics, and scholarships.

**LIFE INSURANCE**
Life Insurance is a convenient and cost-effective means of making a substantial gift for the future of the University. Your gift might be a current life insurance policy that is no longer needed for its original purpose, or you may wish to purchase a new policy to support the University. The advantages of a gift of life insurance are: 1) the value of your old policy can provide you with an income tax deduction; 2) any future premiums you pay to keep the policy in force can also be tax-deductible; and 3) you can make a large gift at a low, affordable cost.

In the months ahead, Institutional Advancement will be forwarding 1887 LEGACY SOCIETY materials for your consideration. We would welcome an opportunity to meet with you to discuss the Will and Insurance campaigns. We will contact you in the weeks ahead.
