April 2011
Central State University Alumni are responding to the “Dream Keepers” Campaign!

Indeed, Central State University Alumni are responding to the “Dream Keepers” Campaign. We are working to keep students dreams alive. For the winter semester we raised funding to keep 96 students enrolled in the University.

We are now attempting to raise an additional $250,000 in scholarship support to assist students in danger of not returning to school Fall 2011. These students are in good academic standing, but need financial assistance in bridging the gap between “the amount they can afford to pay and the cost of a Central State University education”.

Earlier, Alumni in Chicago, Dayton, Detroit, Washington D.C. and New York City either hosted or participated in receptions to raise funds to support the campaign. Outstanding Alumni like Ms. Debra Perkins ’73 graciously hosted a reception in her home. More than forty alumni and friends, including President Garland and myself were in attendance. Most importantly they collected scholarship checks to support the “Dream Keepers” campaign. Reception pictures are on the cover and in the report.

I note this because as Spring/Summer approaches I will be calling on you to help us host similar fundraising events in your city. I also, promise to send you periodic reports on the status of the campaign. In this report, we are highlighting the names of contributors during the time period November 1, 2010 through March 31, 2011.

I look forward to seeing you this Spring/Summer.
