

TRANSFER CREDIT POLICY

Central State University accepts transfer credit from colleges and universities accredited by regional accrediting associations. The registrar will determine whether the university accepts credit from other universities. Under state law, the university is required to accept grades of D or better for transfer credit from state assisted colleges and universities in Ohio. (Credits from “D” grade courses will count towards the 124 credits required for graduation. However, the student may still need to repeat the class if Central State requires a “C” grade in the course.) Grades of C or better are generally acceptable from out-of-state schools. Department chairs will determine whether credits accepted by Central State may be used to satisfy major requirements. Grades of “S”, “pass” and “credit” are considered for transfer credit. Students who have already received a baccalaureate degree from an accredited institution and wish to pursue a second baccalaureate degree will automatically receive 94 semester credit hours. They will be ranked as seniors and will need to complete a minimum of 30 semester credit hours at Central State University to earn a second baccalaureate degree. An advisor will determine degree and whether the student will need to take more than 30 credits to complete the second degree.
