

## Faculty Research and Program Interest Profile

The faculty research interest form will enable the Office of Sponsored Programs and Research to assist you by identifying external funding sources for your research and special projects. The form will also be used to identify potential collaborators and to disseminate information about your accomplishments and expertise to other investigators.

Last name\*:

First name\*:

Middle initial:

Rank\*:

Highest degree and date\*:

Area of concentration\*:

College\*:

Department\*:
