In order to be considered for this scholarship, students must complete the Free Application for Federal Student Aid (FAFSA) deadline (December 1) and provide all required documentation to the Office of Student Financial Aid by March 1. International students will be required to submit a copy of their I-20 in lieu of the FAFSA. **Students** must attend four different financial literacy workshops during the academic year if awarded the scholarship.

I understand that decisions regarding scholarships are determined based on the criteria set forth by the University Scholarship Committee and the availability of funds. If approved, I am expected to remain enrolled in the semester for which my scholarship was approved. Additionally, I am expected to remain in good academic standing, *failure to do so will result in the forfeiture of current and future scholarship opportunities*. I understand the completion of this application does not constitute an approval of a scholarship.
