5/4/2020

Dear Campus Community,

Federal Work Study (FWS) Payments

A formula was applied for all students related to the final FWS payment processed for May 1st. Every student was paid an average payment of 8 hours a week for the remaining seven weeks of the term at $9.75 an hour. This made a total maximum payment of $546.00. From there the University looked at what the student had already earned of their average $2,000 allotment for the year.

Example: Student X earned $1,200 during Fall; $650 for Spring before the Emergency Order.
This is a total of $1,850 earned.
The students’ maximum allotment for the year was $2,000.
The payment for May 1st was $150.

Student Y earned $500 for Fall; $650 for Spring for the Emergency Order.
This is a total of $1,150 earned.
The students’ maximum allotment for the year was $2,000
The payment for May 1st was $546.00

Student with questions about their FWS final payment amount should direct the to: hr@centralstate.edu.
