Professional Development Funding Grant
Travel Request Packet
2021-2022

**CRITERIA AND GUIDELINES FOR REQUESTING
INDIVIDUAL FACULTY PROFESSIONAL DEVELOPMENT AWARDS
Updated 19 August 2021**

Central State University recognizes that attendance at and participation in professional conferences, meetings, and workshops is integral to the ability of faculty to maintain the highest quality of instruction and mentoring for their students. Travel to conferences, meetings, and workshops enables faculty to develop their teaching skills and to enhance their abilities to serve and retain their students. In order to facilitate the faculty's ability to attend conferences, meetings, and workshops, the Center for Teaching and Learning (CTL) maintains a fund to support faculty professional development.

OVERVIEW OF GUIDELINES FOR PROFESSIONAL DEVELOPMENT AWARDS

1. Professional development awards are available to all full-time teaching faculty and department chairs to attend conferences, workshops, and seminars. When evaluating requests, the primary considerations are the alignment of the request with the specific travel criteria appended to this packet and its potential benefit to the University. In order to promote a balanced and fair distribution of travel funds, the criteria include consideration of additional factors such as prior professional development funding provided to the faculty member, distribution of funding across departments and colleges, and participation by the faculty member in on-campus professional development opportunities.
2. Making a request for funds is a two-step process. The first step is completing and submitting the "CTL Funding Request" form found in this packet to the CTL Faculty Development Director, Dr. Leanne Petry, at lpetry@centralstate.edu **in at least thirty (30) days prior to travel**. Once travel is approved by the CTL, the traveler is authorized to complete and submit a University Request for Travel (RFT) form. **Note: Travel is not fully approved until the RFT has received all required signatures. Travelers should not make non-refundable purchases prior to receiving all approvals and shall assume financial risks for costs pre-paid by the traveler prior to all approvals being obtained.**
3. Title III funds cannot be used for international travel.
4. CTL does not fund travel for administrators above the level of department chair.
5. All funded travel must directly support the goals stated in the appended travel criteria, titled "Criteria and Guidelines for Requesting Individual Faculty Professional Development Awards" on page 9. Faculty traveling to conferences may present papers, articles, or findings but the presentations cannot be the primary or sole purpose of the travel.
6. Awards will be a maximum of \$2,000.00 during the 2021-2022 academic year. Actual awards are based on need and availability of funds. The following additional guidelines shall apply:
 - Travelers are expected to take advantage of meals included within conference registration fees.
 - Travelers are expected use lower cost services whenever feasible--long term airport parking as opposed to short term, etc.
 - Travelers shall follow the University's travel guidelines and policies as adopted by the Board of Trustees.

**INSTRUCTIONS FOR REQUESTING
PROFESSIONAL DEVELOPMENT FUNDING THROUGH THE CTL**

1. Obtain a Professional Development Travel Packet. Travel Packets are available online through [Faculty Central](#), the CTL site on Schoology. Faculty may also request a packet by sending an email to the Faculty Development Director of the Center for Teaching and Learning, Dr. Leanne Petry (lpetry@centralstate.edu).
2. Complete and sign the “CTL Funding Request” form and submit it, along with required supporting documentation, to the Faculty Development Director. Retain the remainder of the packet to be submitted after completion of the professional development activity.

The CTL will evaluate the request, and, if recommended, direct the traveler to begin the requisition process with the Office of Academic Planning and Assessment. This process begins with the traveler completing and submitting a University Request for Travel (RFT) form.

3. After receiving the completed RFT from the traveler, The Office of Planning and Assessment will submit the form for the additional required approvals. The Office of Academic Planning and Assessment will contact the traveler to confirm that the request has been fully approved and provide instructions for completing any remaining pre-travel requirements (i.e. requisitions for purchase orders needed for ProCard expenses, reimbursable expenses, etc.).

Note 1: Professional Development Travel Requests are not fully approved until all required approvals have been obtained on the RFT. Travelers should not make non-refundable purchases prior to receiving all approvals and shall assume financial risks for costs pre-paid by the traveler prior to all approvals being obtained.

Upon return from travel, a Post-Trip Report and Travel Expense Report (TER) will be completed and submitted by the traveler, along with original receipts and other supporting documentation, to the Faculty Development Director. The approved reports will be submitted to the Office of Planning and Assessment as well as Accounting, as appropriate, in order that relevant purchase orders may be requisitioned for travel expenses, including reimbursable expenses.

Note 2: All purchase orders sent to the traveler must be provided to the Office of Academic Planning and Assessment with the TER before the faculty member can be reimbursed. Expenses cannot be reimbursed without the associated purchase order number.

Questions may be directed to Dr. Leanne Petry, Director of Faculty Development, ([937.376.6656](tel:937.376.6656)).

CTL FUNDING REQUEST FORM

Please submit this form at least **30 days prior to travel**. Travel expenditures must not exceed \$2000 or 75% of total travel costs. (Note: Unavoidable over-expenditures such as increased taxi fare due to changes in venue, etc.) may be reimbursed with acceptable rationale and documentation.

Documentation to Accompany Post-Trip Report

1. Reporting Expenses

Each Traveler is responsible for proper travel expense reporting as required by [University Policy 410.1](#). All required documentation must be submitted to the Office of Academic Planning and Assessment within five (5) working days of the conclusion of the travel.

Procedures:

1. Obtain and complete a **Travel Expense Report (TER)** form (available on the CSU website under [Policies and Procedures](#)) and return it to the Faculty Development Director to be maintained with the Faculty Development Travel Grant Funding Records. A copy will be forwarded to the Office of Academic Assessment and Planning, as necessary, to finalize the process.
 - **Receipts:** Receipts must be original and include the vendor name and date. Mount receipts on an 8 ½ x 11 sheet of paper in date order.
 - **Purchase Orders:** Purchase Order (PO's) for reimbursable expenses are sent to the traveler by the Purchasing Office. A copy of any PO provided to the traveler must be submitted along with the TER. Expenses cannot be reimbursed without the accompanying PO.
2. Sign the completed TER. Be sure to check with the accounting office to ensure the most up to date TER is used (i.e. mileage rates change annually, etc.).
3. Complete the **Post-Trip Report** and return it to the Faculty Development Director to be maintained with the Faculty Development Funding Records. A copy will be forwarded to the Office of Academic Assessment and Planning, as necessary, to finalize the process.

Travelers are advised to retain a copy of all paperwork.

The Office of Academic Planning and Assessment will submit the completed Travel Expense Report along with the documents supporting the expenditures within 5 working days after receipt of the materials. The Title III Office and the Office of the Controller audit the Travel Expense Report for mathematical accuracy, proper approvals, and adherence to spending policies and limits (meals rates, hotels, rental cars, etc.). The travel expense report will be processed for payment within 7 to 10 working days after receipt by the Controller's office.

All travel must comply with [University Policy 410.1](#).

2. Completing Post-Trip Reflection and Follow-up Report

The CTL funds travel and professional development activities in support of the University's goal of increasing student achievement and retention. To facilitate this effort, travelers are asked to describe the benefits they gained from the professional development activity and provide a plan for sharing and disseminating the information.

The Post-Trip Report (page 9) must include:

- A description of the highlights of the activity
- A description of **at least one** specific outcome (action to be taken, change to be adopted, idea to be incorporated into teaching, etc. due to the activity).
- An action plan for sharing knowledge gained which includes
 1. Anticipated venue (department meeting, college meeting, workshop, etc.)
 2. Anticipated date
 3. Description of follow-up documentation that will be provided to The Office of Academic Planning and Assessment. Examples of documentation include
 - Minutes of meeting
 - Workshop evaluation forms
 - Handouts from workshop
 - Lesson plans and class activities, assignments, etc.
 4. Anticipated date for submission of follow-up documentation to the CTL.

*Schedule information sharing so that follow-up documentation can be provided within six weeks of return from travel.

Failure to submit a Post-Trip Report and/or Follow-Up documentation will affect future eligibility for funding.

POST-TRIP REPORT

Please submit all post-trip information, including this form, together with the Travel Expense Report, within the specified timeframe. Be advised that failure to comply with reporting requirements will affect future eligibility for professional development funding.

**TITLE III CRITERIA FOR FINANCIAL SUPPORT
OF INDIVIDUAL FACULTY PROFESSIONAL DEVELOPMENT TRAVEL
10/01/2020 through 09/30/2021 | 10/01/2021 through 09/30/2022**

Historically, the Center for Teaching and Learning (formerly the Office of Faculty Development) provided funding to support faculty travel for a variety of professional development purposes. As is the case with many dimensions of professional and public service, the amount of funding available for travel is extremely limited and must be used exclusively to achieve the requirements set forth in the grant. Consequently, the funds that are available for professional development, including travel, can be used only to support the goals and specific objectives described below.

Goals

The Center for Teaching and Learning addresses institutional concerns identified in the 2017-2022 Comprehensive Development Plan submitted by Central State University to the Department of Education through building the capacity of the faculty to contribute to increasing enrollment and enhancing the University's academic programs. This will be accomplished through assessment of student learning, program review, and accreditation, which will improve institutional effectiveness.

Specific Objectives:

1. Design and use of resource materials to support assessment of student learning.
2. Design and use of resources materials to support program review and the enhancement of academic programs.
3. Provide support for faculty for whom English is not their first language to reduce any language/cultural barriers that may inhibit student learning success.
4. Provide support for identification and use of the most effective instructional strategies and techniques in response to the learning needs of all students.

Criteria for Financial Support of Faculty Travel:

1. Financial support for faculty travel is available only to full-time faculty and department chairs to attend conferences, workshops, and seminars that address the specific objectives noted above.
2. The respective chairperson and dean must review the request to assure it supports the objectives stated above and provide a statement outlining their support for the request.
3. Funds cannot be used for international travel.
4. Funds cannot be provided for the purpose of presenting at a conference. However, a faculty member is not prohibited from making a presentation at a conference that he or she is attending for an approved purpose.
5. Any financial support for faculty travel is limited to a maximum of \$2,000.00 during the 2021-2022 academic year. Faculty are expected to seek financial support from the respective departments/colleges as well as other means to offset costs.
6. In order to promote the wide development of knowledge and skills, decisions to approve funds will take into account the faculty member's prior use of Title III funds. Priority will be given to faculty who did not receive funding in the past academic year or within the current academic year.
7. In order to encourage faculty's overall professional development, consideration will also be given to the faculty member's participation in on-campus and regional professional development activities.

8. The following expectations shall apply to all funded travel:

- Travelers will take advantage of meals included within conference registration fees.
- Travelers will use lower cost services whenever feasible—long term airport parking as opposed to short term, etc.
- Travelers shall follow the University’s travel guidelines and policies as adopted by the Board of Trustees.
- Documentation of travel expenses must be completed within five (5) working days. Travelers are expected to sign the Travel Expense Report provided to the Center for Teaching and Learning/Office of Academic Planning and Assessment promptly. Failure to complete the required documentation in a timely fashion will negatively affect the disposition of future funding requests.

9. All travelers must submit a letter of intent to travel requesting financial support to the Director of the Center for Teaching and Learning at least 30 days prior to the travel dates requested. The requestor must clearly articulate:

- The purpose and destination of travel;
- Appropriate documentation of proposed activities, i.e. conference agenda, completed registration forms;
- A personalized explanation of how the travel will contribute to the “Specific Objectives” outlined above to enhance teaching/learning;
- A stated commitment to formally share knowledge gained with the larger university community in a manner and time to be agreed upon by the applicant and the Director of Faculty Development;
- Evidence that the travel is supported and approved by the applicant’s Chair and Dean;
- All decisions with respect to financial support for faculty travel will be communicated in writing to the applicant, the applicant’s Department Chair, and the Dean by the Director of Faculty Development.
- Completed travel requisitions must be provided at the time of application.
