DEFENSE STEM EDUCATION CONSORTIUM (DSEC) CENTRAL STATE UNIVERSITY STEM ACADEMY SUMMER BRIDGE PROGRAM

The Stem Academy Summer Bridge Program is a two-week residential program to help improve student success!

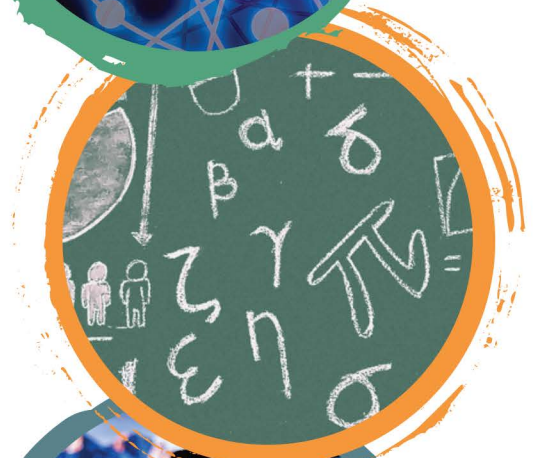

June 18-June 30, 2023
Central State University
1400 Brush Row Road
Wilberforce, Ohio 45384

The STEM Academy Summer Bridge Program is designed to give program participants the best start to a degree in the Central State University College Engineering, Science, Technology, and Agriculture.

Students will learn basic research, critical thinking, and communication and presentation skills.
